

●Facebook:

○Provide your residents with tips, news, and info on upcoming recycling and disposal events by following [RecycleSpot.org's Facebook page](#) and by promoting our posts on [Cleveland's Facebook page](#).

○Post blurbs about [RecycleSpot](#), [KCFoodWise](#), and the [Regional HHW Collection Program](#) directly on your Facebook page. Feel free to use these blurbs we prepared:

Got stuff you no longer want or need?

If you've got stuff you no longer want or need, there's a good chance it doesn't have to go in the trash. To find a better place for it, visit [RecycleSpot.org](#), the Kansas City metro area's one-stop spot for recycling and donation information. While there, you can learn how to recycle more and better by checking out the [Recycle Better](#) and [Recycle Plastics Better](#) flyers, keep your home safe by finding the nearest location to get rid of [household hazardous waste](#) such as paint and dangerous chemicals, and follow the RecycleSpot [Facebook](#) page for recycling tips and upcoming collection events.

Don't trash it!

Do you have an old TV, paint, Styrofoam™, batteries, food waste, clothing or furniture to get rid of? Don't trash it! Find a place to recycle, reuse or donate it on [RecycleSpot.org](#) the Kansas City metro area's one-stop spot for recycling information on hundreds of items.

Confused about recycling?

Recycling can be very confusing. Check out the [Recycle Better](#) and [Recycle Plastics Better](#) flyers on [RecycleSpot.org](#). They'll have you recycling more and better in no time!

Got paint?

Everyone has old paint or other dangerous household chemicals they no longer want or need. Protect your health, home and the environment by properly disposing of them through your [Household Hazardous Waste program](#).

Want to up your recycling game?

Follow the [RecycleSpot.org Facebook page](#) for info on upcoming collection

events, the latest news, and tips and tricks to reduce, reuse and recycle more and better.

Want to reduce food waste and save money?

U.S. households waste nearly one-third of the food they buy every year, at an annual cost of \$1,866 per household. To learn simple steps you can take to stop wasting food and your hard-earned money, visit KCFoodWise.org.

●**Place flyers in your lobbies** - The Recycle Better and Recycle Plastics Better flyers provide accurate, concise info on what can and cannot be recycled both curbside and at recycling centers. We can send you free copies to place in your public lobby.

●**Invite us to your community events** - We're available to give a recycling presentation, staff a table or provide outreach materials that you can hand out.

Please let me know if you have questions.

Thanks and have a wonderful holiday season!
